

## **Covid 19 Information**

ALERT: Should you experience any of the following symptoms, you should contact the dedicated coronavirus hotline on 1800 020 080

- Fever
- Breathing difficulties, breathlessness
- Cough
- Sore throat
- Fatigue or tiredness.

We would like to reassure you Avonlea Clinic will continue to provide care for our current patients during the current SARS Cov-2 pandemic.

We have altered our procedures in line with the Government recommendations, with patients' safety as a priority.

Appointments- we will be conducting the majority of your appointment via telephone with you in your car, and face to face time will be limited to reduce risk of viral transmission. All patients are required to wear a mask to their face to face appointments. Please also bring tissues, and our patient toilet should only be used in emergencies.

If you have any concern you may have Covid 19 (see Alert), please do not attend, and contact us as we may be able to complete your consultation via telehealth.

Please contact us on 42452007 for information pertaining to your individual circumstances.
